Club Maintenance

We ensure the maintenance and upkeep of all club facilities. Our services are designed to facilitate their smooth operation at all times. We have an AMC in place that ensures that all services run optimally.

Sanitization Services

The worldwide pandemic has taught all of us the importance of sanitization. We make sure that very stringent measures are taken to adhere to the Covid protocol. Sanitization of all common areas takes place on a routine basis.

Inventory Control

RHFM provides inventory control services that allow its clients to manage their inventory according to their current business conditions.

Vendor Management & Procurements

RHFM provides vendor management and procurement services. These services are designed to reduce costs, improve vendor performance and to also identify and manage risk.

Construction Management

RHFM will manage the day to day running of your capital and construction projects from design and pre-construction activities through to deployment and handover, as well as conducting supplier and subcontractor selection for you.

Portfolio Management

Stay focused on maintaining alignment to your strategic goals and roadmap, and let RHFM ensure your Project Managers have the tools and training to deliver your project requirements and provide you detailed reporting on progress as needed.

Project Management Consulting

Manage your projects using RHFM's comprehensive, industry standard "Project Management Framework", keeping you informed of progress, risk and issues within supplier & subcontractor agreements during all phases of the project lifecycle.

Technical Manpower Supply

The efficiency of your organization rests on your shoulders. You need to be focused on core operations, not technical issues. RHFM takes day-to-day technical manpower problems off your desk by operating and maintaining your assets and systems, ensuring continuity for your business.

Why choose us

Best Consultation

We are passionate about delivering the very best outcomes for our clients, and treat every organisation we work with as if it was our own. We start all new client relationships with a discussion to fully understand the brief and provide individual solutions for everything.

Working with an ethical & responsible employer

To us, people are our biggest asset. Keeping that in mind, we are committed to providing a safe work environment ensuring employees are well cared for and are appropriately remunerated, in line with legislative requirements. We actively promote true fairness and equality of opportunity from career development, to investing in our staffs' expertise and helping them to fulfil their ambitions.

Engaging Our Own Experienced Staff

All our staff are well experienced in the execution of all the activities. Unlike many other large maintenance companies where the work is subcontracted, our self-delivery model has enabled us to provide more effective and superior quality to our cliental. Our company operates in an environment of end-point communication; unlike the sub-contracting policies which involve multi point communication.

Perfect Solution & Customer Focused

Provide a perfect solution for your society's issues with the help of software, app & services. We ensure all our Clients are provided with excellent Service Levels with matches their Expectations.

Best Support

Provide lifelong support in any kind of difficulty related to any issue. With a strong and reliable team operating throughout Maharashtra, RHFMServices is one of the best facilities services providers. Our innovative and unique Service Delivery Strategy (SDS) means all our clients get a 100% personalized and tailor made service to meet their needs. We provide around the clock, fast and efficient cleaning services with the highest standards. All of our services are backed by efficient and dedicated responsive communication systems.

Quality

Quality is importance to us. While striving to make significant contributions to humankind, we ensure we deliver the highest levels of professionalism.

Technology

Technology is an integral part of our continuous growth and evolution. We are open to embracing technologies that help us improve our work quality and enhance results.

Creative & innovative solutions

Our technology platforms and innovative solutions add value and efficiencies to your venture
